

*Est. 1969*

Prospective Member:

Thank you for your interest in Pine Ridge Club. We are delighted in your inquiry and happy to share this information about our 2026 Membership Program. We offer a beautiful facility and a great group of members that enjoy our golf course, dining room, swimming pool, and numerous social events that are a part of membership.

Pine Ridge has an 18-hole championship golf course designed in 1969 by Russel Breeden. The course is designed for golfers of all ability levels. With five sets of tees, we feel that you can find a set that will suit your ability and make your golfing experience enjoyable.

Our clubhouse is one of the nicest facilities in our area and features a large, nicely stocked golf shop, two spacious dining rooms, a bar and grill with flat screen televisions, and a bag storage room. The swimming pool provides an additional outdoor entertaining area. Our beautiful dining rooms are perfect for business meetings, luncheons, parties, and receptions. Wireless internet is available in the clubhouse.

Being a member at Pine Ridge is a great way to make friends and get involved in social activities. We have active golf groups of casual golfers that play on a regular basis. You would be welcome in any group.

Another important part of the membership program is the commitment of the ownership, management, and staff to provide high quality golf and social experiences for members and guests at a great value. The ownership continues to make improvements each year.

Included with this package are details of our membership opportunities and the benefits and costs associated with each membership classification. Also included is an application for membership. As you review this information, please call if I can answer any questions or provide a tour of our course and facilities.

Thanks again for your interest in Pine Ridge Club. Let us know if we can be of assistance.
